

Dear FCC,

I am writing about my concerns regarding the radio station K-Love.

K- Love is one of my favorite radio stations in the Chicago area.

My concerns are the effect on the local community if K-LOVE were to be displaced by LPFM Broadcaster providing other programming.

K-LOVE is one of the only Christian radio stations in the Chicago area.

K-LOVE plays a vast array of modern Christian music. I will sorely miss K-LOVE if it were taken off the air.

Fondly,

Renee Zita
